

Julián Alexis Cano Cruces

Ejercicio guiado:

The screenshot shows the DevNet Sandbox Lab Catalog interface. The top navigation bar includes the DevNet logo, 'SANDBOX LABS', 'RESERVATIONS', and a user profile 'ALEXJCC29033@GMAIL.COM'. A search bar is present on the left. The main content area is titled 'LAB CATALOG (52)' and displays a grid of lab cards. The cards include 'ACI Simulator Version 6' (with 'RESERVE' and 'ALWAYS-ON' buttons), 'AppDynamics Candidate Lab' (with a 'RESERVE' button), 'AppDynamics On-Prem' (Version 1.0), 'Cisco 8000 SONIC' (Version 7.5), and 'Cisco 8000 IOS XR' (Version 7.5). A right-hand sidebar titled 'BROWSE BY CATEGORY' lists various categories like Networking, Collaboration, IoT, Data Center, Cloud, Security, and Open Source. The bottom of the screen shows a Windows taskbar with various application icons and a system clock indicating 06:56 p.m. on 24/11/2023.

The screenshot shows a Gmail inbox with a selected email titled 'We Are Preparing Your Cisco DevNet Sandbox Lab'. The email is from 'no-reply@devnetsandbox.cisco.com' to 'alexjcc29033@gmail.com'. The email body contains the following text: 'We wanted to let you know that we are currently setting up your IOS XE On Cat&K MDT ZTP Lab. We know you are anxious to get in there and start doing great things, but we need a little more time to stitch it all together and run a few tests. As soon as everything checks out, we will send you another email with your Lab's VPN connection credentials and instructions on how to connect. Our current estimate for all this is about 10 more minutes. Please be patient -- access to awesome Cisco technology is just minutes away! --The DevNet Sandbox Team'. Below the main text, there is a PS note: 'PS. -- If you do not have the Cisco AnyConnect VPN Client software installed on your system you should do that now. It is required to access devices in your Lab.' followed by two links: 'Download the Cisco AnyConnect VPN Client Software' and 'Installation Guide for the Cisco AnyConnect VPN Client Software'. The email interface includes a left sidebar with navigation options like Mail, Chat, Spaces, and Meet, and a top search bar. The bottom of the screen shows a Windows taskbar with various application icons and a system clock indicating 06:57 p.m. on 24/11/2023.
