

Julián Alexis Cano Cruces 2.3

The screenshot shows a web browser window displaying the DevNet Sandbox page. The page title is "DEVNET" and the sub-header is "SANDBOX LABS RESERVATIONS". The main content area is titled "IOS XE On Cat8K MDT ZTP" and includes an "Overview" section. The overview text states: "The IOS XE on Catalyst on Latest Code Sandbox offers developers access to an IOS XE device running the latest IOS XE code release available on cisco.com (currently 17.9.2). Here you can test out the newest programmability features and data models available." It also includes a note about the code release being updated regularly and a list of features: "Model Driven Programmability with YANG Data Models and NETCONF and RESTCONF", "Linux Guest Shell on-box for running Linux Applications and run Python Scripts directly at the edge", and "Application Hosting allows application developers and network engineers to build and deploy applications (custom or...".

Overlaid on the browser window is the Cisco AnyConnect Secure Mobility Client window. It displays the following status:

- VPN:** Ready to connect. (Connect button)
- Network:** Connected (172.16.16.62). (wired connection selected)
- Web Security:** No License Key.
- System Scan:** No policy server detected. Default network access is in effect.
- Roaming Security:** Umbrella is inactive. Profile is missing.
- AMP Enabler:** Waiting for configuration...

The bottom of the screenshot shows the Windows taskbar with the time 10:00 a.m. and date 27/11/2023.

The screenshot shows a desktop environment with various icons on the left, including "Papelería de redacción", "GTO", "Firefox", "PowerPoint", "Cisco Packet Tracer", "Microsoft Edge", "Word", "Testing Program 2020 Cloud", "MyD", "MyDefrag", "Google Chrome", "Excel", "VLC media player", and "Adobe Acrobat".

Overlaid on the desktop is the Cisco AnyConnect Secure Mobility Client window. It displays the following status:

- VPN:** Connected to devnetsandbox-usw1-reservation.cisco.com:20187. (Disconnect button)
- Network:** Connected (172.16.16.62). (wired connection selected)
- Web Security:** No License Key.
- System Scan:** Searching for policy server. This could take up to 30 seconds.

In the background, a presentation slide is visible with the title "POLÍTICA AMBIENTAL DE LA UTNG" and the text: "La universidad asume el compromiso en la gestión de la contaminación ambiental y el uso eficiente de sus recursos, fomentando la participación social con apego a la normatividad y otros requisitos aplicables, centrado en la mejora continua." The slide also includes the logo of the Universidad Tecnológica del Norte de Guanajuato and the text "Rev. 2".

The bottom of the screenshot shows the Windows taskbar with the time 10:02 a.m. and date 27/11/2023.
